

CINDY MORGAN

From gospel to pop to Americana, Cindy Morgan is an insightful voice across musical genres as she has grown to become one of Nashville's acclaimed songwriters. An East Tennessee native, Morgan's evocative melodies and brilliant songwriting have poetically and prolifically mined the depths of life and love both in her own recording and through songwriting for noteworthy artists around the globe.

Coming off her her 2015 release, *Bows & Arrows* (Folk Album of the Year at the Canadian Covenant Awards), Morgan has moved through a significant season of loss and change which has proved to be rich soil for the soul and has led to the release of the 2019 EP *Autumn & Eve: Old Testament Volume I*. The first in a three-part series, listeners will find a familiarity and a freshness in the moody, Americana nature of Morgan's latest EP, as she explores the places where her own story meets the ancient stories. The songs infuse Old Testament struggles with modern day heartache. "Weight," the first single from the forthcoming EP, combines Morgan's signature vocals with a modern folk earnestness, and is available November 2018.
